Volunteer Opportunities at St. Joseph's Healthcare System

St. Joseph's Healthcare System offers a variety of volunteer opportunities throughout our facilities. St. Joseph's HealthCare System would like to offer you the opportunity to use your discretionary time for the benefit of others through service as a volunteer. Each and every charitable act of a volunteer contributes to the excellence of care delivered to our patients. Whether it be transporting a patient from one area to another, assisting in the daily operation of the Food Services Department, acting in the capacity of a Patient Representative helping patients to be as comfortable as possible during their stay, helping friends and families who await news of a loved one after surgery, assisting customers in our gift shop, or working "behind the scenes" in our business offices, you can be assured that your time will be well spent.
