## **FACT SHEET**

### **MEDLINEplus**

MEDLINEplus is a gold mine of up-to-date, quality health care information from the world's largest medical library, the National Library of Medicine at the National Institutes of Health. Anyone with a medical question will profit from its use. Both health professionals and consumers can depend on it for accurate, current medical information. This service also provides access to extensive information about specific diseases and conditions, and also has links to consumer health information from the National Institutes of Health, dictionaries, lists of hospitals and physicians, health information in Spanish and other languages, and clinical trials. There is no advertising on this site, nor does Medlineplus endorse any company or product.

Medlineplus can be accessed from any computer with Internet access.
