

Have you been told your blood sugar is slightly *elevated* or that you have Prediabetes?

The Diabetes Education Center at St. Joseph's Wayne Hospital is holding FREE information sessions open to the public to learn more about prevention and management of Prediabetes. Sessions will be held at St. Joseph's Wayne Hospital .
Please call our center for more information!

2012 Schedule

February 16	10 AM
April 19	10 AM
June 21	10 AM
September 20	10 AM
November 8	10 AM

Please, join us for an hour of discussion and information on how to prevent and manage Prediabetes. These educational information sessions will be sure to help you to prevent the progression of Prediabetes to Type 2 Diabetes!
