

# The 2010 Magnet Prize™

Magnet® Nursing's Highest Honor.  
Only One Worldwide.

Internationally recognized for improving professional nursing practice and patient outcomes, St. Joseph's Regional Medical Center's Magnet® Nursing Team is the recipient of the 2010 Magnet Prize™—Magnet Nursing's most prestigious accolade—presented by the American Nurses Credentialing Center (ANCC) and sponsored by Cerner Corporation. Selected as a pioneer in the area of community outreach for the comprehensive programs of its Women's Heart Center, which are geared toward women of diverse backgrounds, **St. Joseph's is one of only 8 Magnet-designated hospitals to ever receive The Magnet Prize.** We are proud to be an example of a Magnet organization that continuously raises the bar by developing innovative structures and processes that transform the health and well-being of North Jersey's communities.

St. Joseph's Regional Medical Center and St. Joseph's Children's Hospital have been recognized with nursing's highest honor, The Magnet Status for Nursing Excellence, three consecutive times since 1999.
