Becker's Hospital Review/Becker's ASC Review

**100** Best Places to  
Work in Healthcare

U.S. News & World Report has recognized St. Joseph's Regional Medical Center as one of the **"Top Tier—Best Regional Hospitals in the New York Metro Region"** for the following specialty areas: cancer, nephrology and orthopaedics. Plus, *Becker's Hospital Review* placed St. Joseph's Healthcare System in its top **"100 Best Places to Work in Healthcare"** for providing a work environment that promotes teamwork, professional development, and quality patient care.

St. Joseph's has been chosen "best hospital" for a very good reason: our employees' dedication to constantly improving what we do best.
