

We value their safety as much as you do.

We've been recognized by HealthGrades™ for keeping kids safe.

St. Joseph's Children's Hospital is a state-designated children's hospital and a leader in comprehensive health care for children. Keeping your child safe in the hospital is our top priority. In fact, we've been honored with the **HealthGrades 2010 Pediatric Patient Safety Excellence Award™** recognizing our commitment to pediatric patient safety. We're **one of only 98 hospitals in the nation** to receive this recognition. You can be sure that your child is receiving the kind of care only a hospital can give—in the safest manner possible.
