

# We're building the future of healthcare.

St. Joseph's Wayne Hospital  
Wayne, NJ

St. Joseph's Regional Medical Center  
Paterson, NJ

Demands for high-quality healthcare in our region have been expanding. And so have we. At St. Joseph's Healthcare System, we're in the midst of a \$250 million facilities investment project to ensure that all centers of care are equipped with state-of-the-art technology that meets tomorrow's needs today.

## Here are just a few of our recent and planned upgrades:

### Paterson Campus:

- New Critical Care Building including separate Pediatric and Adult Emergency Departments, Critical Care Units, Surgical Suites, Rooftop Helistop
- New Pediatric and Adult Ambulatory Care Center (Opened Summer 2009)
- Enhancing Women's & Children's Tower
- New Lobby Access
- Planning Patient Rooms Enhancements
- New Conference Facility

### Wayne Campus:

- New Surgical Suites and Recovery Room (Opened Fall 2009)
- New Critical Care Unit (Opened Winter 2010)
- Planning Patient Rooms Enhancements
- Planning Lobby Access Enhancements
